

## “Farm to You” Traveling Farm Registration Agreement

A few things to consider:

- We will arrive 1 hour prior to the beginning of your event for set-up
- We do not set-up or take-down during an event.
- Please have a water source ready when we arrive. A garden hose is sufficient
- Where do you want our display set-up? What weather related plans do you have?
- No food is allowed by the animals. Guests are not allowed to eat by the animals. If the animals are hand-fed at the event, Wildwood Family Farms will provide the feed.
- Is there a place to compost leftover hay and straw?
- Let us know if there is anything else we can do for you such as demonstrations, educational talks, or additional activities (\*additional fees may apply).
