

# Wildwood Family Farms

## U-PICK APPOINTMENTS

## FAQ

**MOST FLOWERS**  
**\$0.75/STEM**

**DAHLIA & SUNFLOWER**  
**\$1.50/STEM**

### A few important things to remember:

- We are a private event venue not open to the general public daily and this our family home too.
- Be respectful of your appointment time. There may be clients booked before and after you. Please **DO NOT** show up early or stay past your allotted time.

### What to bring:

- A good pair of scissors or clippers
- Bucket(s) \*we have water sources - look for the faucet/spigot

### Where do I park & enter?

- Parking for u-pick is slightly different than at Wildwood events. You will park over in our overflow lot (see map on pg. 2)
- You'll enter though the black gate just next to the white "Garden Barn"

### Where can I pick/cut?

- Pretty much all of our flowers can be cut, but to be safe, follow the map and look for the Daisy!
- The Daisy marked on the map labels a cutting gardens.
- They aren't all together, so you'll do a little walking.

### How do I cut?

- Cut your stem to the length of your forearm
- Cutting deep into the plant ensures sturdy, healthy stems for the next customers. You can always re-cut your stems to fit the size of your container later. A good rule of thumb is to cut at the "V" on the plant where the stem branches.
- Strip all the leaves half way down your stem off
- You don't want any leaves to be in the water. That will cause the life of your blooms to be short.
- Pro Tip: The less leaves in your container, the more flowers you can squeeze in!!

### How do I pay you?

- Venmo or cash are accepted.
- Look for the Venmo QR code and red cash box on the potting bench on the Garden barn bench.

**U-PICK SEASON IS MID JULY - SEPTEMBER.**
